

I would like each of you to get back to me individually as to whether you agree with submitting the attached Intent. It is due by 4:00 tomorrow. A Council resolution is not needed to submit the Intent to Apply. A Council resolution will be needed once we submit the formal grant application and after we hold a public meeting on the subject. That submission is due in mid-October.

Additionally I would remind you that two residents referred to this grant process as unethical and/or fishy. I would expect that once you are behind this grant that you would publicly end such ridiculous and malicious speculation.

Thanks, Roberta

Best regards,

Roberta
